## 1. Chapter 1: Intoduction

### Mind-Control Mania

#### Chapter 1: Introduction and First Four Slaves

By TUF-Shadow

I was in the room with a book that had all the information of Naruto in it, and if it was edited, whatever would written in that book, would happen. Considering how I want to mind control the women of Naruto I decided to give the book a go. I wrote "Naruto, Sai, Sasuke and his team, is under my control and I'm in the Naruto universe and this book that I'm currently writing in comes with me". Everything I wrote happened in the Naruto world and I started feeling tingly as I realized that was being teleported to the Naruto Shippuden Universe! I said, "Here I come, beautiful women!" And I was now in the Naruto Shippuden Universe!

I was in Konoha when I spawned and I telepathically said to Naruto and Sai, "Sai write a letter to Sakura that you're going to confess your feeling to her at the first alley from the gate and write a letter to Sakura saying to come to the same alley to apologize to her about calling her ugly. Naruto will be your guard. When I come out in a genjutsu, tell the girls to come to the nearest house. Tell them to come at 5:00" 5:00 was only an hour away so I had to make preparations. Then I came to the house camouflaged by my genjutsu and patiently waited for Sakura and Ino.

It was now 5:00 and I saw in Ino in her orange clothes while Sakura

in her regular clothes with Sai and Naruto. I had to activate the jutsu now! I activated my jutsu and two evil eyes appeared in front of them. Naruto yelled, "Everyone in here!" as he pointed and evacuated everyone to the nearest house like I instructed him to do. Then I used another jutsu to paralyze everyone in the house. I came inside and released Naruto and Sai from the jutsu. I came to Sakura and put my hand on her forehead and activated my mind control jutsu. Then I released her from the paralyzation jutsu. Ino screamed, "Naruto, Sai, and Sakura help! What're you doing?!" I came up to her and said, "Don't worry Ino you'll think the same way I do and do actually what I tell you to do without question." Ino screamed, "Like I'll ever do that!" But that thought automatically got erased from her mind and I activated my mind control jutsu on her. I released her from the paralyzation jutsu. I said, "Everyone follow me to the woods secretly. It's time to have to have some fun!"

### Chapter 2. The Four Rookies Slaveafied!

Now it's time to get the next two rookies! I walked down to the training field to find Hinata alone practicing her 64 palms. I said in my mind, "Ino guard me, Sakura, grab Hinata tightly and bring her to me!" The slaves did as they were instructed. As Sakura bring Hinata to me Hinata asked, "Why are you doing this?!" I responded, "You'll soon see and you'll WANT to do it Hinata, so don't worry!" I put my hand on Hinata's forehead and activated my jutsu. Hinata has now been added to my collection of slaves. Now we moved on to Ten-Ten

When we found Ten-Ten hanging out with Neji and Rock Lee and said in my mind, "Ino tell Ten-Ten that Tsunade wants her to go to Sasuke's house to investigate" Ino did as she was told and Ten-Ten started heading to Sasuke's house. Then I said in my mind, "Hinata hide in Sasuke's house and sneak attack and freeze Ten-Ten with your Sixty Four Palm Technique when she walks inside and quickly close the door and only open it fore Sakura, Ino, and I" Hinata ran to Sasuke's house to do as she was told. Ten-Ten entered and Hinata froze her with the 64 palm power. I came into the house with Ino and Sakura. Ten-Ten asked me, "Why are you doing this?!" In my head I said, "Like I hadn't heard the same sentence from Ino" I said out loud, "Ten-Ten, I'm doing this to make you make slave and&e| fourth girlfriend!" I activated the Mind Control Jutsu. I told Hinata, "Un-freeze Ten-Ten now Hinata, she will now to my bidding and will help us." Hinata did as she was told and unfroze Ten-Ten who was still in the same position she was in when Hinata froze her waiting for me to order her to do something.

I said to Hinata and Sakura, "You capture Yamato and freeze him so I can Mind Control him. Then guard him until I get there". I said to Ino and Ten-Ten, "You ask Tsunade to have a party at my house with all the girls." Then I said, "Now do as I just commanded you to do!" And they all ran to do their jobs. I wrote in my book, "When Ino and Ten-Ten ask Lady Tsunade will not say no and Yamato will let Sakura and Hinata capture him and not try to escape or yell for help". My

plan will come true no matter what!
